Request for Changes

1. What is the justification for the change(s) requested?
The changed course numbers and degree requirements approved in the accompanying proposal should be specified in this description of minor requirements. The other core courses are taken by most minors but not required, due to the academic rigor of Communication Theory. COMM 10123 and COMM 10133 cover different content, but there is sufficient overlap to justify counting only one of these courses toward the minor.

2. If applicable, explain how the change(s) will affect the current program outcomes and assessment mechanisms.
