Dear Molly,

Thanks for updating me on the proposed changes to the Middle-Elementary Education Programs in the College of Education. These proposed changes will have no adverse effect on the Department of History and Geography and therefore my colleagues and I support them.

Sincerely,

Chair, Department of History and Geography
Molly, this email is to certify that the Political Science department agrees with the degree plan changes you have proposed for your middle school and high school social studies curriculum. For middle school, we agree that POSC 31XX3, 33XX3, or 35XX3 would be appropriate. For high school social studies, POSC 31XX3 would be appropriate to fulfill your degree requirements. These changes also reflect our curriculum changes mandated this year.

Please let me know if you need any additional information.
