New Policy Proposal:
"No course may be offered more than twice under such titles as 
"Experimental Course" or "Topics in . . ." Any such course, in order to be 
offered more than twice, must be proposed and approved, with a unique 
course number and title, by the appropriate school or college curriculum 
committee and Undergraduate Council. The same policy applies to any 
course offered as an Independent Study or Directed Study if more than three 
students are enrolled in a given semester."
