ACADEMIC CALENDAR
Dr. Donovan discussed the proposed change in the academic calendar, which includes a one-day extension of both Fall Break and Thanksgiving Break beginning in 2006-2007. The addition of two break days would be offset by starting classes two days early in the fall semester. In conjunction with the revised class start date, adjustments will be needed for various “pre-school” activities in August. Pat Miller moved to approve the proposed official calendar for 2006-2007 and the proposed tentative calendars for 2007-2008, 2008-2009 and 2009-2010. The motion was seconded and carried.

The meeting was adjourned at 3:40 p.m.
