REVISED CORE CURRICULUM
Dr. Donovan discussed the original charge from the Chancellor to the Provost and the Faculty Senate to develop a revised Core Curriculum. He noted that the Faculty Senate approved the proposed revision of the Core in its entirety in April 2004. He introduced Ed McNertney, Coordinator of the Core Curriculum, who is currently preparing appropriate 2005-06 catalog material and working with the Registrar on the implementation process. Mr. Miller reported that the degree audit system and the advising process are being redesigned to support the revised Core.

Dean Volcansek moved to approve the revised Core Curriculum. The motion was seconded and carried unanimously. Dr. Donovan will present the revised Core Curriculum to the Board of Trustees at the November meeting for final adoption. The new Core will be effective beginning in the fall semester 2005 for incoming freshmen; it will be phased in during the next year or two for incoming transfer students.

The meeting was adjourned at 2:40 p.m.
